TEKLYNX, the leader in barcode label software. Label design, label printing, print automation, label security, and centralized label management. Small business to global enterprise.

Barcode label software | TEKLYNX

Vitrek is a world leader in providing safety and electrical test equipment to a range of industries including electronic, appliance and automotive manufacturers, calibration & test labs, R & D departments, medical, aerospace, military and lighting.

Electrical Safety Compliance Testing Equipment ...

Eaton is a world leader in the design and manufacture of ground refueling products for both commercial and military aircraft. Featuring a large and comprehensive line of products, Eaton's Carter® product line has a solid reputation for innovation, quality and dependability.

Eaton's JC Carter Ground Fueling Products, Aircraft ...

Ramco HR with Global Payroll offers Core HR, Time and Attendance, Payroll (across 45+ countries). Complete with chatbots, voice, artificial intelligence and facial recognition based workforce management, organizations can deploy Ramco HR with Global Payroll on-cloud, on premise or leverage as a managed service.

Ramco HR & Payroll Solution on Cloud

The aerospace industry uses inserts in tapped holes in soft materials in order to utilize small high-strength fasteners to save weight. The bigger external thread of the insert (nominally 118 in. bigger in diameter than the internal thread) gives, for example, a 10-32 bolt in an equivalent 5/16-18 nut.
