~~When people talk about the strongest superheroes in comic books, names like Superman, The Hulk, and Thor rise to the top of the list. However, for some reason, people don't give as much credit to the female superheroes in comic books even though some of them are strong enough to stand toe-to-toe with any male hero or villain in a fight.~~

General: If in the original work a redhead is The Hero's Official Couple, Implied Love Interest or a side of the Love Dodecahedron, the odds are that there will be a ton of fancreations of that work getting them together and therefore invoking the trope. Thus, the great number of fanworks featuring Shinji/Asuka, Ash/Misty, Peter/MJ, Cylops/Phoenix, just to name a few.
